3 DISTANCIAS, 3 FIESTAS

¡LISTOS PARA CELEBRAR!

The Santa Eulària Ibiza Marathon doesn't end when you cross the finish line. Year after year, the race proves that its essence goes far beyond the course itself, turning the day of the event into a complete experience both on and off the road.

In this edition, that identity is reinforced under a clear slogan: '3 races, 3 parties'. A way of continuing one of the event's hallmarks: that the celebration is also part of the journey.

After completing any of the three distances, participants can continue to enjoy the experience at the **#RunAndFeel Party** in three of the island's most iconic venues: **Teatro Pereyra, Keeper and Las Dalias**. Three iconic locations, three different atmospheres and the same energy: extending the race day in a way that only Ibiza knows how.

From the elegant and vibrant atmosphere of Teatro Pereyra, through the nightlife intensity of Keeper, to the unique and alternative character of Las Dalias. The concept once again cements the event as much more than just a race.

Important!

Access to these parties will be controlled by wristbands, which will be available at the Merchandising stand at the RUNNER'S FAIR, until each venue reaches full capacity.
